Minoo Jokhi - Memory Math Wizkid

Meet Minoo Jokhi - a Memory Wizard Mathemagician par excellence. He trains people of all ages right from 4 to 75 years age and shows them how to increase their Memory-Power and once and for all shatter the myth that Memory is neither good nor bad and in reality is trained or untrained.

However, Minoo was not a child prodigy born with Math Skills. He was so weak in his school days that he couldn't do simple tables of 4 or 6 or add single digits properly. He had practically lost hope that he would ever do something in his life till 1992 when an amazing transformation took place.

People normally avoid improving their weak points. But Minoo Jokhi made his weakest point his greatest asset. Minoo was very unhappy that he was very weak in Maths. Being ridiculed by his teachers and all children around him, Minoo started to learn basic TABLES uptil 20. He would add and subtract bus numbers and car numbers. This small exercises when done regularly became a Number Crunching Habit with Minoo. Encouraged by his mother Kety, Minoo soon started to love Numbers. His mother totally backed him and she brought up Minoo and his younger brother up single handedly amidst lots of problems really well. And once the amazing transformation took place, people were stunned to see Minoo's skills.

Today Minoo remembers tables up to one crore, can also multiply huge figures mentally at amazing speeds, can remember over 2000 telephone numbers, can tell you the day of any date from 1st January 1600 to date remembers Cube Roots up to hundred crores
and does many such mental feats. He has been featured in over 90 Newspapers and has come over 10 times on Television.

Minoo Jokhi is the second person after General Sam Maneckshaw to have been conferred the prestigious Honorary Membership of the Rotary Club of Bombay Hills South. He has performed abroad too at the 7th World Zoroastrian Congress, USA in the year 2000 and at the International Medical Congresses held in Sri Lanka in 2002, 2003,2004 2005 ,2007 and 2012. He performed 6 Mathemagic Shows in Colombo in March 2014. He was invited to attend and participate in the Parliament of World Religions held in Spain, Barcelona in July 2004 and represented India as the only youth Speaker at the Quest for Global Healing Conference in Indonesia in May 2006. He also performed a series of shows at the 14th North American Zoroastrian Congress held in Toronto, Canada in July 2007 before over 550 delegates. Minoo spoke at the Congress and was very much appreciated by one and all and then he did a show at the Meherabad Guv Dar be Mehr for the Parsi Community and then also did a presentation at the Sports Night for which over 200 people turned up.

2 day Seminars on Memory-Development for which over 25 participants participated.

He also did a show for SNC.LAVALIN Group and also conducted two

He has also performed in other parts of India like Bangalore, Dharampur, Rajkot, Ahmedabad, Navsari, Chennai, Kerala, Kolkata and Lonavala.

Minoo Jokhi is a friendly and a helpful person by nature. He conducts classes in Memory-Development, which is his specialty where he has various levels of Memory Enhancement Techniques Courses and also teaches Personality-Development, Public Speaking and Mathematics He is not just a teacher but also a friend cum guide to his students and has taught over 6000 students to date. He also

is a Numerologist and provides Numerology Consultations. His future plans include writing books on Memory-Development and Acting and Modelling. He made his Acting Debut in the T.V.Show Nagin 3 in the year 2018 playing the role of a Pandit.

The best thing about this Mathemagician is that he is hungry to learn constantly and is amazingly versatile. He is a brilliant public speaker having won 15 first prizes, is into Insurance, Yoga, etc. He has also made a name for himself in Lawn Tennis where he has won various trophies at the club level He is a brilliant tutor who specializes in teaching Memory-Development

to people of all ages. He loves sharing Math Tricks. E.g. what is 75 multiply by 75. First multiply 5 and 5 which is 25 and take the first digit 7 and multiply it by the next number 8 and the answer is 56 and total answer is 5625. People of all ages have learned the Memory Enhancing Program from him and all have immensely benefited. He sees to it that his students understand how the Memory has to be trained and how things learned once can never be forgotten. He can be contacted on Mobile No 9821407519 and his e-mail is minoojokhi@rediffmail.com He also has a website www.minoojokhi.in
