Dear Mr. Minoo Jokhi,

It was indeed a great pleasure having you visit our club, Rotary Bangalore Spandana for a speaker meet. During your presence, you had captivated the audience with your "Mathemagic" show, and both Children and Adults enjoyed. Of course, I must say that Children were very eager and engaged.

Thanks once again for visiting us and do visit us in future when you are in Bangalore, we would love to have you back.

Best wishes. Thanking you.

Yours Sincerely,

Arun Velayutham Selvaraj
President, Rotary Bangalore Spandana
